RIVERVIEW FALL 2015 AFTERSCHOOL 4-H

Riverview Elementary is excited to announce our fall registration for 4-H. The registration will begin Wed. August 26, at 7:00 a.m. any requests made before this time will be deleted. You may email me at raeann.nelson@nebo.edu please include your child’s name and the clubs and session requested. I will send back a confirmation of the clubs I am able to put your child in. You will then be responsible to pay your $10 fee per club in the office. Please fill out the registration form and waiver found on the 4-H page of the Riverview web site or in the office.

STUDENTS MAY SIGN UP FOR MORE THAN ONE CLUB. The students will receive a 4-H T shirt (One per year), healthy snacks, physical exercise, a prevention healthy lifestyle lesson, and 1 hour of club instruction each week.

4-H has an early morning homework club that is available each school day from 8:00-8:45. It is available for early arrivers and students who would like extra help. Shalese Rogers will be the morning club instructor and the club will be in room #33. This club is free and we need a registration form filled out for it.

This year we are offering 3 fall sessions so we can offer more clubs. Last year we had a waiting list, hopefully we can take advantage of the 12 extra clubs being offered. Because of the great support of parents Riverview has one of the largest 4-H Afterschool programs in the state. THANK YOU FOR YOUR SUPPORTING RIVERVIEW AFTERSCHOOL 4-H.
