

# BEFORE SCHOOL PROCEDURES

## 8:20 AM - 8:40 AM

There is a sign in the front office that lets students know whether it is an inside or an outside day that morning.

### Outside Day

If students arrive to school before 8:40 AM, then the expectation is that all students go play outside on the back playground when the weather and air quality are good. They may also hang out in the hallway by the lunchroom.

Please have all students enter through the front doors of the school before heading to the playground. Students may also go in the lunchroom to eat breakfast during this time

### Inside Day

If students arrive to school before 8:40 AM, then the expectation is that all students walk the center hallways of the school when the weather is not good or it is too cold to go outside. Students may also go in the lunchroom to eat breakfast during this time.
