Be Recess Ready

The cooler weather is here. Children should arrive at school dressed for the weather so they may safely and comfortably enjoy outside recess. We ask that you label your student's name on the inside of all coats and jackets. All healthy children are expected to go outside during recesses, except in extreme weather conditions. If the temperature falls below 20, students will remain indoors. If you desire that your child stay inside for health reasons, please inform your child's teacher with a note. A new note is required for each day your child is to stay inside.
